***Statement from Governor Scott McCallum on
Supreme Court Decision Upholding School Choice***

“This is a great day for children and parents in the city of Milwaukee. The U.S. Supreme Court has upheld what Wisconsin’s Supreme Court has already decided – that providing school choice to poor, disadvantaged children is constitutional. I am proud that in its decision, the U.S. Supreme Court even cited and relied on portions of Wisconsin’s amicus brief in upholding school choice.

“The Milwaukee record shows that choice helps public education. Academic achievement in Milwaukee Public Schools has grown significantly since the expansion of choice.”
